Notes:

4 students to be rotated off the campus; 4 students at all times remaining on 9W. 4 students maximum is census dependent and instructor may be asked to decrease group size with no advance notice for the day

Northwest University students (except those in senior preceptored experiences) are not in clinical settings on the following holidays and academic breaks: September 6 and November 25-26, 2021, January 17, February 21, March 7-11, April 14-15, 2022.

Everett Community College: Comments: 2 students at a time will do their 8 hour OR/Surgery observation experience M-Th starting week 3 through to finals week.

Everett Community College: 4 students at a time will do their two 6-hour Psych observation on a Mon, Tues, or Wed starting week 6 through to finals week. I added 12-hour day for 9W since it looks on the grid that 9W will only take students doing 12-hour shifts? In this case then 4 students at a time will do one 12-hour shift on a Mon, Tues, or Wed starting week 6 through to finals week.

Shoreline Community College: No clinical on 11/11/21 Holiday.

UW Practicum No Monday Evenings OR Tuesday day and Tuesday evening. 164 Practicum Hours.

Everett Community College: Sr. Practicums No Wednesdays, in class.
