

### Background

CPNW is a not-for-profit corporation comprised of 20 healthcare organizations and 32 partners in education, with member institutions located throughout Washington State and Northern Idaho. Our mission is to improve the health educational and clinical experience, thereby increasing value to all stakeholders; improving quality of care; improving patient, student and preceptor satisfaction; and promoting system sustainability.

CPNW embraces standard work to promote efficient process across all member organizations. Onboarding for students and faculty is accessible via the [cpnw.org](http://cpnw.org) website. Fees correlate to services provided and those fees are established by the general member body. "Categories" are:

1. Nursing education members
2. Healthcare members
3. Non-member users, both nursing and non-nursing health sciences students

Any nursing student requiring the placement services of the CPNW Clinical Placement Coordinator will be assessed a flat \$100 annual fee. This fee includes all onboarding via [cpnw.org](http://cpnw.org). All health professions students who do not require the placement services of the CPNW Clinical Placement Coordinator will be assessed a \$75 annual fee.

Healthcare members are assessed fees according to numbers of students placed, as fees are associated with services rendered.

The CPNW placement process, which utilizes a single point-of-contact for all placement needs, is efficient and saves considerable resources for the education institution. A \$10 per student fee is assessed to each member nursing program in recognition of this service.

Fees are collected either at the time the user registers for a [cpnw.org](http://cpnw.org) account or by prior arrangement of the education program. In the latter case, the education program will be invoiced for the student(s) at the above rate by the CPNW Accountant and Treasurer.

Additional inquiries can be made to [megan@feiaccounting.com](mailto:megan@feiaccounting.com)

Services: Education Programs	Cost per Student	Notes
<ul style="list-style-type: none"> <li>• CPNW Clinical Passport</li> <li>• eLearning Modules</li> <li>• Bimonthly OIG/SAM Reports</li> <li>• Placement (Gridding) by a CPNW Clinical Coordinator</li> </ul>	\$100.00 per academic year	
<ul style="list-style-type: none"> <li>• Nursing Programs - Education Fee</li> </ul>	\$10.00 per academic year	<p>The rationale behind implementing an education fee was based on the actual services provided to the programs. The members agreed and acknowledged the many benefits from having a single point-of-contact who coordinates, facilitates, secures and tracks student placement.</p>
<ul style="list-style-type: none"> <li>• CPNW Clinical Passport</li> <li>• eLearning Modules</li> <li>• Bimonthly OIG/SAM Reports</li> </ul>	\$75.00 per academic year	
<b>There is no fee for faculty members or program administrators.</b>
